

Jade Simmons

Piano performance w/Macbook and 3 Analog Synthesizers Technical Specification

Overview: Ms. Simmons will be performing on a grand piano that will need amplification. Some of her pieces will be acoustic (piano only). For others, Simmons will accompany herself with pre-recorded music played back from her Macbook or live electronics produced by 3 analog synths.

Instrumental Line-up

Concert Grand Piano
3 analog synths
Laptop (MacBook Pro)

Microphone request:

Wireless handheld on boom stand at piano. Simmons will walk and speak away from the piano as well and will take the handheld with her.

Simmons provides

Macbook Pro
Korg Volca Beats Analog Synthesizer
Korg Volca Keys Analog Synthesizer
Korg Volca Bass Analog Synthesizer
Small table on left side of piano

***Artist will provide stereo feed from each of the synths**

Equipment to be provided by Presenter:

2 condenser mics for piano (or whatever amplification house engineer sees fit)
Handheld wireless vocal mic on boom stand from left side of piano
Space monitor (Wedge) for piano and beats set upstage at Jade's left
Small table for laptop

***DI boxes are required for the laptop and each of the 3 synths.**
